

## Impact of PE Provision being delivered by a specialist Sports Coach

### Strengths

- Increase in Sports Participation across all Year groups including extracurricular (lunchtime and afterschool) and Sports Fixtures (DSAT and South Charnwood)
- PPA Cover for classroom teachers
- High Quality PE being delivered across all age ranges and abilities
- Identification of Gifted & Talented children within PE lessons and extra-curricular
- Increased level of expectation on children's physical and sporting abilities
- Increased Community and Parent engagement
- Varied and specific curriculum to tailor for children needs and abilities
- Positive recognition of children's achievements – Sports Awards presented termly

### Areas for development

- More frequent communication with class teachers (internal) and PE Coaches/Leaders (External)
- Upskilling teachers in the benefits and potential uses of sports/physical activities within the learning environment
- Broader curriculum knowledge for Sports Coaches

### Next Years Spend

- Maintain extracurricular activities (organisational/co-ordinator time)
- CPD for Sports Coaches
- South Charnwood Affiliation
- New Sports Equipment/Space for delivery of PE
- Sports Awards and medals
